

FELINE SILVER

WELLNESS PACKAGE

*Essential Care
for a Healthy, Happy Life!*

At V.E.T. Care Hospital, we believe prevention is the key to a longer, healthier life for your cat. Our **Silver Feline Wellness Package** provides essential diagnostic testing to help detect potential health problems early—so your cat can stay happy and healthy!

*Healthy
Cats
Happier
Lives!*

WHAT'S INCLUDED?

Important screening tests for your cat's overall health.

Comprehensive Blood Chemistry (Chem 10)

Evaluates kidney and liver function, blood sugar, proteins and other important indicators of your cat's internal health.

Electrolytes (Lytes)

Measures key electrolytes (sodium, potassium and chloride) to help assess hydration, kidney function and overall body balance.

Complete Blood Count (CBC)

Evaluates red and white blood cells and platelets to help identify anemia, infection, inflammation and certain blood disorders.

Fecal Examination

Screens for intestinal parasites that may affect your cat's digestive health, including roundworms, hookworms and whipworms.

*Great Care.
Exceptional Value!*

WHY CHOOSE SILVER FELINE?

Early Detection

Identify potential health concerns before noticeable symptoms develop.

Peace of Mind

Know your cat's health status with essential screening tests.

A Healthier, Happier Cat

Give your veterinarian valuable information to guide preventive care and treatment recommendations.

*Healthy Paws
Brighter Days!*

Invest in Your Cat's Health Today!

Ask our V.E.T. Care Hospital team about the Silver Feline Wellness Package at your next visit!

Screening helps identify potential problems but does not diagnose or rule out every disease.
Additional testing may be recommended based on your cat's age, symptoms and results.

FELINE GOLDEN WELLNESS PACKAGE

Comprehensive Care for a Longer, Healthier Life!

At V.E.T. Care Hospital, we believe prevention is the key to a longer, healthier life for your cat. Our **Golden Feline Wellness Package** provides comprehensive health screening to help detect potential health problems early—even before your cat shows signs of illness.

Healthy Cats Happier Lives! ♥

WHAT'S INCLUDED?

A complete health screening for a healthier, happier tomorrow!

Chem 25

Evaluates liver and kidney function, blood sugar, electrolytes, proteins and other important indicators of your cat's internal health.

Complete Blood Count (CBC)

Evaluates red and white blood cells and platelets to help identify anemia, infection, inflammation and certain blood disorders.

Complete Urinalysis (U&A)

Examines urine concentration, chemistry and microscopic sediment to help identify kidney disease, urinary tract problems and diabetes.

Thyroid Screening (Total T4)

Measures thyroid hormone levels to screen for thyroid disorders that may affect your cat's energy, weight, skin and coat.

Fecal Examination

Screens for intestinal parasites that may affect your cat's digestive health, including roundworms, hookworms and whipworms.

A Complete Health Check at an Exceptional Value! ♥
